- Identifying and breaming down ethnocentrism in research and practice.\\n
- 10. Establishing links between analysis and public policy on both local and global levels.\\n
- 11. Methodological Competencies:\\n
- 12. Generating, manipulating and analyzing social science data.\\n
- Recording and interpreting qualitative evidence of socio-cultural life.
- 14. Critically evaluating research findings.\\n\\n
- 15. Independently framing and executing research projects.
- 16. Civic Competencies\\n
- 17. Promoting civility and civil discourse.\\n
- 18. Imparting a sense of agency to communities, locally and beyond, by becoming skilled in applying research to community and organizational problems and applying sociological and anthropological perspectives to community and organization problems.\\n
- Understanding group and organizational process in order to enable active citizenship and effective teamwork.\\n

## **Requirements for the Sociology Major**

Under consultation with a faculty member, an advanced student may opt to "design" his/her own course as an independent study in sociology. The student must work with a faculty member whose expertise is in the selected topic. Together, they negotiate the focus and content of the course. The following core courses, to be completed by the end of the junior year or prior to the completion of 90 credit hours of study, are required of all students majoring in sociology:

| Code              | Title                                  | Credits |
|-------------------|--|---------|
| Core Courses      |  |         |
| SOCA 101          | Introduction to Sociology              | 3       |
| SOCA 248          | Report Writing for the Social Sciences | 3       |
| SOCA 250          | Statistics for the Social Sciences     | 4       |
| SOCA 295          | Social Science Research Methods        | 3       |
| SOCA 301          | Sociological Theory                    | 3       |
| SOCA 495          | Senior Seminar                         | 3       |
| Select one of the | following:                             | 3       |
| SOCA 300          | Topics in Data Collection and Analysis |         |

| SOCA 303          | Program Evaluation                        |    |
|-------------------|---|----|

|   | SOCA 362           | Migration and Immigration              |    |
|   |                    |  |    |

12 of the 15 credits must be upper level (300-400 level) courses, and at least one 3-credit class must fulfill the diversity requirement. Complete one course from at least four of the specialization areas listed (12 credits).

Complete one additional course (3 credits).

Each class can only count for one area.

Students may fulfill a specialization in family and human services by completing one course under the heading of race and ethnic relations.

## **General University Degree Requirements** (Bachelor's Degree)

In addition to individual program requirements, students must also fulfill the following requirements:

| Requirement        | Credits |
|--------------------|---------|
| Skills             | 7-8     |
| General Education  | 36      |
| Foreign Language** | 6-8     |
| Ethnic Diversity   | 3       |
| Total              | 52-55   |

\*\* Transfer students in sustainable management, and health information management and technology collaborative, online degree-completion programs, the business management online degree-completion program, and the flexible option degree-completion program will be exempt from the university's foreign language requirement. See appropriate academic section for further information.
